1. Aims

This policy aims to:

- Create a positive culture that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the school
- Outline the expectations and consequences of behaviour
- Provide a consistent approach to behaviour management that is applied equally to all pupils
- Define what we consider to be unacceptable behaviour, including bullying and discrimination

2. Legislation, statutory requirements and guidance

This policy is based on legislation and guidance from the Department for Education (DfE) on:

- [Behaviour in schools: advice for headteachers and school staff](#)
- [Preventing and tackling bullying: advice for headteachers, staff and governing bodies](#)
- [Searching, screening and confiscation: advice for schools](#)
- [The Equality Act 2010](#)

- [Keeping Children Safe in Education \(KCSIE\)](#)
- [Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)
- [Restrictive interventions, including the use of reasonable force, in schools](#)
- [Supporting pupils with medical conditions at school](#)
- [Special Educational Needs and Disability \(SEND\) Code of Practice](#)
- [Sharing nudes and semi-nudes: advice for education settings working with children and young people](#)

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88 to 94 of the [Education and Inspections Act 2006](#), which requires schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and gives schools the authority to confiscate pupils' property
- [DfE guidance](#) explaining that maintained schools must publish their behaviour policy online

3. Definitions

Misbehaviour is defined as:

- Disruption in lessons, in corridors between lessons, and at break and lunchtimes
- Non-completion of classwork or homework

Serious misbehaviour is defined as:

 - Bullying
 - Abuse in intimate personal relationships between children
 - Physical abuse
 - Sexual violence, such as rape, assault by penetration, or sexual assault (intentional sexual touching without consent)
 - Sexual harassment, meaning unwanted conduct of a sexual nature, such as sexual comments, physical behaviour, and online sexual harassment
 - Causing someone to engage in sexual activity without consent
 - Upskirting
 - Initiation/hazing type violence and rituals
 - Consensual and non-consensual making or sharing of nudes and semi-nudes, including those generated using AI
- Misogyny/misandry
- Vandalism
- Theft
- Fighting

- Smoking
- Racist, sexist, homophobic or discriminatory behaviour
- Possession of any prohibited/banned items. These are:
 - Knives or weapons
 - Alcohol
 - Illegal drugs
 - Stolen items
 - Tobacco and cigarette papers
 - E-cigarettes or vapes
 - Fireworks
 - Pornographic images
 - Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)
 - Mobile phones
 - Smart watches
 - Any device that can take photos

4. Bullying

Bullying is defined as behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally.

Bullying can involve an imbalance of power between the perpetrator and the victim. This could involve perpetrators having control over the relationship, which makes it difficult for those they bully to defend themselves. The imbalance of power may be physical, psychological, derive from an intellectual imbalance, or by having access to the support of a group, or the capacity to socially isolate.

Bullying is therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Prejudice-based and discriminatory, including: ➤ Racial ➤ Faith-based ➤ Gendered (sexist) ➤ Homophobic/biphobic ➤ Transphobic ➤ Disability-based	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality) or perceived characteristic
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, non-consensual making or sharing of nudes or semi-nudes (including those generated using AI) or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps, gaming sites, devices or via images, audio, video or written content, including content generated or altered using AI

We take a proactive approach to preventing all forms of bullying, including cyber-bullying and prejudice-based and discriminatory bullying. Through our behaviour curriculum, PSHE, Relationships Education and assemblies, pupils are taught about respect, kindness, inclusion and safe online behaviour. Pupils are encouraged to report concerns to a trusted adult, and all incidents are taken seriously, investigated and recorded. Appropriate support and sanctions are put in place, and incidents are monitored to identify patterns and inform further action.

5. Roles and responsibilities

5.1 The governing board

The governing board is responsible for:

- Reviewing and approving the written statement of behaviour principles (appendix 1)
- Reviewing this behaviour policy in conjunction with the headteacher
- Monitoring the policy's effectiveness
- Holding the headteacher to account for its implementation
- Ensuring appropriate systems for filtering and monitoring, and cyber security are in place on school devices and networks

- Ensuring online safety is a running and interrelated theme while devising and implementing the school's approach to safeguarding and related policies and procedures, including understanding safety considerations and legal responsibilities where the school uses generative AI

5.2 The headteacher

The headteacher is responsible for:

- Reviewing this policy in conjunction with the governing board
- Routinely engaging with pupils, parents/carers and staff on setting and maintaining the behaviour culture and an environment where everyone feels safe and supported
- Giving due consideration to the school's statement of behaviour principles (appendix 1)
- Approving this policy
- Ensuring that the school environment encourages positive behaviour
- Ensuring that staff deal effectively with poor behaviour
- Monitoring that the policy is implemented by staff consistently with all groups of pupils
- Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary
- Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

5.3 Staff

Staff are responsible for:

- Creating a calm and safe environment for pupils
- Establishing and maintaining clear boundaries of acceptable pupil behaviour
- Implementing the behaviour policy consistently and fairly
- Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with pupils
- Modelling expected behaviour and positive relationships
- Providing a personalised approach to the specific behavioural needs of particular pupils, including providing additional support to meet the school's behaviour expectations where a pupil has SEND
- Recognising hidden stressors for vulnerable pupils, such as young carers or looked-after children, to ensure empathetic and supportive responses to their behaviour
- Being alert to new and emerging online harms, including risks associated with AI, misogynistic or misandrist content, and financially motivated sexual extortion (sometimes called 'sextortion')
- Considering the impact of their own behaviour on the school culture and how they can uphold school rules and expectations

- Using de-escalation techniques and positive behaviour management strategies to try to minimise and prevent the need for restrictive interventions
- Recording behaviour incidents promptly (see appendix 3 for a behaviour log)
- Challenging pupils to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

5.4 Parents and carers

Parents and carers, where possible, should:

- Get to know the school's behaviour policy and reinforce it at home where appropriate
- Support their child in adhering to the school's behaviour policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Celebrate their child's successes
- Discuss any behavioural concerns with the class teacher promptly
- Take part in any pastoral work following misbehaviour (for example, attending reviews of specific behaviour interventions)
- Raise any concerns about the management of behaviour with the school directly, while continuing to work in partnership with the school
- Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

5.5 Pupils

Pupils will be made aware of the following during their induction into the behaviour culture:

- The expected standard of behaviour they should be displaying at school
- That they have a duty to follow the behaviour policy
- The school's key rules and routines
- The rewards they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards
- The pastoral support that is available to them to help them meet the behaviour standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the school's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Extra support and induction will be provided for pupils who are mid-phase arrivals.

6. School behaviour curriculum

6.1 Our approach to behaviour

At The Stonebridge School, our approach to behaviour is built around three clear expectations: Ready, Respectful and Safe. These expectations are explicitly taught, modelled and reinforced across classrooms, corridors, playtimes and all areas of school life.

We recognise that behaviour is a form of communication. Staff seek to understand pupils' needs while maintaining clear boundaries and high expectations. Adults respond calmly, consistently and predictably, with a focus on helping pupils regulate, make positive choices and remain engaged in learning.

Positive behaviour is recognised through praise and our classroom Recognition Boards. All pupils begin each day on Green and can move through Bronze, Silver and Gold in recognition of positive choices. Pupils are never moved down the Recognition Board.

Where behaviour falls below expectations, staff use a consistent staged approach:

- Reminder – a calm reminder of Ready, Respectful and Safe.
- Caution – a clear, private caution and opportunity to make a different choice.
- Calm Time – time and space to regulate, reset and prepare to return to learning.
- Final Warning – a final opportunity to re-engage, with clear choices.
- Restorative Conversation – an opportunity to reflect on what happened, repair any harm and agree how to make better choices in future.

Staff move through these stages only where behaviour continues, allowing pupils appropriate time and support to respond at each stage. Responses and consequences are proportionate and take account of individual circumstances, including SEND and other additional needs.

In line with our Ready, Respectful and Safe expectations, pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- Challenge and report behaviour that is discriminatory, harmful or disrespectful towards others, including behaviour influenced by prejudice, misogyny, misandry or harmful online content
- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Respond positively to reminders, consequences and support from adults.
- Refrain from behaving in a way that brings the school into disrepute, including when outside school or online

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all pupils can meet behavioural expectations in the curriculum.

The school's Behaviour Expectations, Recognition Board and staged behaviour response are set out visually in Appendices 2–6 and are explicitly taught to pupils and used consistently by staff.

6.2 Mobile phones

Pupils are not permitted to use mobile phones anywhere on the school site at any point during the school day. Only pupils in Years 5 and 6 may bring a mobile phone to school, and only with parental permission, for example where this supports safe independent travel to and from school. Phones must be switched off and handed into the school office on arrival and collected at the end of the day. They must not be used on the school site before or after being handed in.

Any unauthorised use of a mobile phone will be addressed in line with this Behaviour Policy and the phone may be confiscated and returned to the pupil or parent/carer as appropriate.

Exceptions may be agreed by the Headteacher for medical needs, reasonable adjustments or exceptional personal circumstances. Pupils are not permitted to bring mobile phones on school trips or residential visits.

7. Responding to behaviour

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the recognition board
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement

7.2 Safeguarding

The school recognises that:

- Changes in behaviour may be an indicator that a pupil is in need of help or protection
- Specific circumstances, such as being a young carer, looked-after child, or living in a vulnerable household, can significantly affect behaviour

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Staff will follow the school's child protection policy and speak to the designated safeguarding lead (or deputy).

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, universal services, community-based early help, targeted early help or a referral to children's social care is appropriate.

Please refer to our [child protection and safeguarding policy](#) for more information.

7.3 Responding to good behaviour

Positive behaviour is noticed and recognised consistently. Staff use specific praise to reinforce Ready, Respectful and Safe behaviours and use the Recognition Board to celebrate pupils who demonstrate the school's expectations. Recognition is intended to encourage positive choices and build a culture in which pupils understand and take pride in meeting expectations.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

- Verbal praise
- Moving up on the recognition board
- Communicating praise to parents/carers via a phone call or written correspondence
- Certificates or reward assemblies
- Positions of responsibility, such as prefect status or being entrusted with a particular decision or project
- Whole-class or year group rewards, such as a popular activity

7.4 Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, can be used to help prevent further behaviour issues arising, including situations where staff may need to use a restrictive intervention. See our policy on the use of restrictive interventions for more detail on prevention and de-escalation strategies.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified (e.g. whether a pupil has specific vulnerabilities) and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

Staff will ordinarily follow the school's staged behaviour approach of Reminder, Caution, Calm Time, Final Warning and Restorative Conversation. It may be appropriate to move directly to a later stage where behaviour is serious, presents a risk to safety or requires immediate intervention.

The school may use 1 or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand and reminder of the expectations of behaviour
- Sending the pupil out of the class
- Setting of written tasks such as an account of their behaviour
- Expecting work to be completed at home, or at break or lunchtime
- Loss of privileges – for instance, the loss of a prized responsibility
- School-based community service, such as tidying a classroom
- Referring the pupil to a senior member of staff
- Letter or phone call home to parents/carers
- Agreeing a behaviour contract
- Removal of the pupil from the classroom
- Suspension
- Permanent exclusion, in the most serious of circumstances

Personal circumstances of the pupil will be taken into account when choosing sanctions. Where appropriate, staff will liaise with our SENDCo to help determine an appropriate sanction. Decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

7.5 Restrictive interventions, including use of reasonable force

Our approach to restrictive interventions follows the [DfE's latest guidance on restrictive interventions](#).

Restrictive interventions are used to prevent, restrict, or subdue movement of the body or part of the body of a pupil. It describes both physical and non-physical actions aimed to restrain pupils in different ways.

Our staff understand that any form of force or restraint carries a risk of physical and psychological harm, so we always avoid using these measures where possible.

7.5.1 Reasonable force

Reasonable force covers a broad range of actions used by staff that involve a degree of physical contact to restrain pupils, using no more force than is needed for the least amount of time, the application of which will depend on the circumstances.

The school does not have a 'no contact' policy and will not grant any requests by parents or staff not to use reasonable force and/or other restrictive interventions.

All members of staff have a legal power to use reasonable force in certain situations, to prevent a pupil from:

- Hurting themselves or others
- Committing a criminal offence
- Damaging property
- Causing disorder among pupils, in or out of lessons

Reasonable force must:

- Always be used as a last resort
- Be used in a way that maintains the safety and dignity of all concerned
- **Never** be used as a form of punishment
- **Never** involve restraining a pupil in a way that affects their airway, breathing or circulation, for example by covering their nose and/or mouth or applying pressure to their neck or abdomen
- **Never** be used if the pupil is on the ground. If a pupil is unintentionally held on the ground, staff should release their hold or move into a safer alternative or standing position as quickly as possible

Staff who are likely to need to use reasonable force and/or other restrictive interventions are adequately trained in its safe and lawful use and in preventative strategies.

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

Please see our restrictive intervention policy for more information.

7.5.2 Seclusion

Seclusion is a **non-disciplinary intervention** that keeps a pupil confined to a place away from others and prevents them from leaving, for the safety of that pupil and/or others.

We only use seclusion as a safety measure when a pupil is experiencing high levels of emotional or behavioural dysregulation. Seclusion is **not** used as a threat or punishment and is **not** a disciplinary response to deliberate or wilful misbehaviour.

During seclusion:

- The pupil will be secluded in a safe place that does not feel threatening or intimidating to them.
- The pupil will be supervised at all times, by at least 1 member of staff.

As soon as the immediate risk of harm has reduced, the pupil will be allowed to leave.

7.5.3. Recording and reporting requirements

Staff have a legal duty to record and report all:

- Significant incidents involving force
- Seclusion incidents
- Restraint incidents

Please refer to our restrictive intervention policy for more information on this legal duty.

7.6 Searching, screening and confiscation

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search and/or can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed (in which case the member of staff will ensure the pupil understands the reason for the search and how it will be conducted so that their agreement is informed).

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search

- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil's co-operation

If the pupil refuses to agree to a search the member of staff will consider why this is. Reasons might include that they:

- Are in possession of a prohibited item
- Do not understand the instruction
- Are unaware of what a search may involve
- Have had a previous distressing experience of being searched

If a pupil continues to refuse to co-operate, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact a member of the Senior Leadership Team to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil's outer clothing, pockets, possessions, desk or locker.

'Outer clothing' includes:

- Any item of clothing that isn't worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

Searching pupils' possessions

Possessions means any items that the pupil has or appears to have control of, including:

- Desks
- Lockers
- Bags

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Informing the designated safeguarding lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

Informing parents/carers

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Strip searches

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

A strip search may take place only if it is considered necessary to remove an item related to a criminal offence, and the officer reasonably considers the pupil might have concealed such an item. Strip searches should not be routinely carried out if there is no reason to consider that such items are concealed.

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should advocate for pupil wellbeing at all times.

Communication and record-keeping

Where reasonably possible and unless there is an immediate risk of harm, before the strip search takes place, staff will contact at least 1 of the pupil's parents/carers to inform them that the police are going to strip search the pupil, and ask them whether they would like to come into school to act as the pupil's appropriate adult. If the school can't get in touch with the parents/carers, or they aren't able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for information about the role of the appropriate adult).

The pupil's parents/carers will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises, and monitor them for any trends that emerge.

Who will be present

Police officers carrying out the search must be of the same sex as the pupil being searched.

For any strip search that involves exposure of intimate body parts, there will be at least 2 people present other than the pupil, except in urgent cases where there is risk of serious harm to the pupil or others.

One of these must be the appropriate adult, except if:

- The pupil explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**
- The appropriate adult agrees

If this is the case, a record will be made of the pupil's decision and it will be signed by the appropriate adult.

If the pupil's parent/carers would like to be the appropriate adult, the school will facilitate this where possible.

No more than 2 people other than the pupil and appropriate adult will be present, except in the most exceptional circumstances.

An appropriate adult not of the same sex as the pupil may be present if specifically requested by the pupil. Otherwise, no-one of a different sex to the pupil is permitted to be present, and the search will not be carried out in a location where the pupil could be seen by anyone else.

The appropriate adult will:

- Act to safeguard the rights, entitlements and welfare of the pupil
- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the pupil, unless the pupil specifically requests an adult who is not of the same sex

Care after a strip search

After any strip search, the pupil will be given appropriate support, irrespective of whether any suspected item is found. The pupil will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any pupil(s) who have been strip searched more than once and/or groups of pupils who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.

If a pupil is found to be in possession of a prohibited item the staff member will alert the designated safeguarding lead (or deputy) and the pupil will be sanctioned in line with this policy to ensure consistency of approach.

7.7 Child-on-child abuse

We recognise that children are capable of abusing other children. Abuse will never be tolerated or passed off as "banter", "just having a laugh", "part of growing up", or "boys being boys", as this can lead to a culture of unacceptable behaviours, misogyny, and an unsafe environment for pupils.

All child-on-child abuse is unacceptable and will be taken seriously.

Most cases of pupils hurting other pupils will be dealt with under this policy.

Where allegations raise safeguarding concerns, this will be managed under our safeguarding policy. Our [safeguarding policy](#) contains further information on how we prevent and manage incidents of child-on-child abuse.

7.8 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

7.9 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

This includes harmful content created, altered or shared using artificial intelligence (AI), including nudes and semi-nudes.

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

7.10 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police only by gathering enough information to establish the facts of the case.

When establishing the facts, initial investigations will be fully documented and the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, a member of the Senior Leadership Team will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.11 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be in line with our child protection and safeguarding policy.

Please refer to our [child protection and safeguarding policy](#) for more information.

7.12 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been a deliberate act to deceive or cause harm to the person subject of the allegation, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our [child protection and safeguarding policy](#) for more information on responding to allegations of abuse against staff or other pupils.

8. Serious sanctions

8.1 Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time. Removal from the classroom is a serious disciplinary measure and distinct from seclusion, which is strictly non-disciplinary (see section 7.5 above for more detail on seclusion and its use).

Pupils who have been removed will continue to receive education under the supervision of a member of staff. This education will be meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption
- Enable disruptive pupils to be taken to a place where education can be continued in a managed environment
- Allow the pupil to regain calm in a safe space

Pupils who have been removed from the classroom are supervised by a member of the Senior Leadership Team and will ordinarily be removed for no longer than the remainder of the lesson or session. However, pupils will only be reintegrated into the classroom when it is appropriate and safe to do so.

Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

Pupils should be reintegrated into the classroom as soon as it is appropriate and safe to do so. The school will consider what support is needed to help a pupil successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents/carers will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:

- Meetings with learning coaches
- Use of teaching assistants
- Short-term behaviour report cards
- Long-term behaviour plans
- Pupil support units
- Multi-agency assessment

Staff will record all incidents of removal from the classroom in the behaviour log, along with details of the incident that led to the removal, and any protected characteristics of the pupil.

8.2 Suspension and permanent exclusion

The headteacher can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our exclusions policy for more information.

9. Responding to misbehaviour from pupils with SEND

9.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND). Pupils with SEND may react to distressing or confusing situations by displaying behaviours which may be harmful to themselves and others. Pupils who have difficulty communicating verbally might show their needs and discomfort through their actions. Pupils with SEND may struggle to distinguish real content from AI-generated content or understand the consequences of online interactions.

The school will consider how a whole-school approach meets the needs of all pupils in the school, including pupils with SEND, so that everyone can feel they belong in the school community and high expectations are maintained for all pupils.

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made by the school on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))

If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan will be secured and the school will co-operate with the local authority and other bodies.

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support, including behaviour support plans where appropriate, to prevent these from occurring.

We will utilise staff who know individual pupils with SEND well, to:

- Help identify and manage risk, such as trigger points when challenging behaviour is more likely to occur
- Develop proactive strategies to reduce the likelihood of restrictive interventions being used

We will also work with the pupil, their parents/carers and other professionals to develop prevention and de-escalation strategies.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

Our approach may include examples such as:

- Short, planned movement breaks for a pupil with SEND who finds it difficult to sit still for long
- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload

9.2 Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the school will consider whether:

- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND

If the answer to any of these is 'yes', it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

9.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

9.4 Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

10. Supporting pupils following a sanction

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school. These may include:

- Reintegration meetings
- Daily contact with the pastoral lead or SENDCo

- A report card with personalised behaviour goals

11. Pupil transition

11.1 Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

11.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

12. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The safe and lawful use of reasonable force and/or other restrictive interventions
- The needs of the pupils at the school
- How SEND, mental health needs and personal circumstances can impact behaviour
- Trauma-informed practice and behaviour management
- Risks associated with use of generative AI
- Identifying and challenging extreme online misogynistic or misandrist content

Behaviour management will also form part of continuing professional development.

13. Monitoring arrangements

13.1 Monitoring and evaluating behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusions and suspensions
- Use of pupil support units, off-site directions and managed moves
- Incidents involving restrictive intervention, including the use of reasonable force
- Incidents of searching, screening and confiscation
- Perceptions and experiences of the school behaviour culture for staff, pupils, governors, and other stakeholders (via anonymous surveys)

The data will be analysed every half-term by the Senior Leadership Team.

The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

13.2 Monitoring this policy

This behaviour policy will be reviewed by the headteacher and full governing board at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the Headteacher.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the full governing board annually.

14. Links with other policies

This behaviour policy is linked to the following policies:

- Child protection and safeguarding policy
- Restrictive interventions policy
- Online safety policy

Appendix 1: written statement of behaviour principles

- Every pupil has the right to feel safe, valued and respected, and to learn in a calm environment free from disruption.
- All pupils are taught and supported to be Ready, Respectful and Safe across all areas of school life.
- All pupils, staff and visitors should be free from discrimination, bullying, harassment and prejudice.
- Staff and volunteers model calm, respectful and consistent behaviour and positive relationships at all times.
- Positive behaviour is recognised and reinforced consistently, including through praise and the school's Recognition Board.
- Where behaviour falls below expectations, staff respond calmly, fairly and proportionately, using the school's staged behaviour approach and taking account of individual needs and circumstances.
- Pupils are supported to regulate their emotions, reflect on their behaviour, understand its impact and repair harm through restorative conversations where appropriate.
- Consequences are used consistently and are intended to support learning, responsibility and improved future behaviour rather than simply punish.
- Restrictive interventions, including reasonable force, are used only where necessary, proportionately and in accordance with the school's Restrictive Interventions Policy.
- Suspension and permanent exclusion are used only where appropriate and in accordance with statutory guidance and the school's procedures.
- The Behaviour Policy and its expectations are explicitly taught to pupils and understood and applied consistently by staff.
- Parents and carers are encouraged to work in partnership with the school to support positive behaviour and address concerns.

The governing board also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

This written statement of behaviour principles is reviewed and approved by the full governing board annually.

Appendix 4: Consequences Code; Children

	What stage am I at?	How a grown-up will help
1	Friendly Reminder 	- A grown-up will give you a friendly reminder. - They will remind you what you need to do. - This is your chance to make the right choice
2	Think Again 	- A grown-up will say, "Think carefully about your next step." - You will have time to think and make the right choice. - Show that you are ready to learn
3	Calm Time 	- You will have some time to calm and reset. - You may move to a quiet space for a short time. - When you are ready, you can return to learning.
4	Final Warning 	- This is your final chance to make the right choice. - A grown-up will explain what needs to change. - If the behaviour continues, there will be a consequence.
5	Let's Put It Right 	- You will talk with a grown-up about what happened. - You will think about how your choices affected you and others. - Together, you will decide how to put things right and make a better choice next time.

Appendix 5: Consequences Code; Adults

	Steps	Actions – delivered privately when possible
1	Reminder	- A Calmly remind: Ready, Respectful, Safe and reinforce the expected behaviour. - Allow processing time and repeat if needed, using visuals, Makaton or SALT gestures. - Aim to resolve at this stage using positive reinforcement: "Thank you for..." - Use Zones of Regulation to help the pupil identify and communicate how they are feeling.
2	Caution	- Give a clear verbal caution. - Use the phrase: "Think carefully about your next step." - Allow take-up time before further intervention. - Refer to Zones of Regulation, supporting the pupil to identify what they need to return to the Green Zone and be ready to learn.
3	Calm Time	- Allow calm time for the pupil to breathe, regulate and compose themselves. - Consider whether they need a short break from the immediate environment. - Offer the choice of moving to a designated calm space for a short, timed period, using an egg timer where appropriate.
4	Final Warning	- Privately give a final opportunity to re-engage, using the "30-second script". - Offer two clear choices: "You can do the work now, or you can do the work..." - Consider a change of face or environment, such as time with another adult, in another classroom, or in a designated space outside. - Allow time to regulate and reset before returning to learning.
5	Restorative Conversation	- Use Zones of Regulation tools to support reflection and regulation. - Discuss what could be done differently next time. - Provide an opportunity to reflect, repair and grow.

Restorative Conversation

What happened?
What were you thinking at the time?
How did this make people feel?
What are you thinking now?

Agree an appropriate consequence with the pupil and identify how the situation can be repaired.

Ensure consequences are developmentally appropriate, restorative and focused on learning.

Support the pupil to develop regulation strategies and make positive choices in similar situations in the future.
